

February 20, 1990 LB 1167, 1216

CLERK: 26 ayes, 0 nays, Mr. President, on the advancement of 1216.

SPEAKER BARRETT: LB 1216 advances. LB 1167.

CLERK: Mr. President, 1167 was introduced by Senators Moore and Nelson. (Read title.) The bill was introduced on January 17, referred to Health, advanced to General File. I have no amendments to the bill.

PRESIDENT NICHOL PRESIDING

PRESIDENT: Senator Moore. Senator Nelson, please, excuse me.

SENATOR NELSON: Yes, Mr. Speaker, I hope, as an example the last bill, that my 15 minutes don't go real fast on this. I think this is one of the simplest bills that I've ever been able to handle since I've been in the Legislature. What LB 1167 simply would do is the Department of Public Institutions needs permission from the Legislature to sell or transfer any of their property. There are two pieces of property we're talking about, one is an easement for electrical lines on land the Department of Public Institutions leases to the United Veterans Club in Grand Island, and the second is to sell plots in the Blue Mound Cemetery to the City of Milford. The City of Milford cemetery is nearing capacity, and DPI has some land there that they could sell. But, with t'at, DPI needs permission to sell the land at the Soldiers and Sailors Home, and the cemetery land at Mead, Nebraska. That's all it does.

PRESIDENT: Any further discussion? If not, the question is the advancement of the bill. All those in favor vote aye, opposed nay. Senator Nelson, what do you think?

SENATOR NELSON: I'm not sure about that. I don't know...

PRESIDENT: The question is, shall the house go under call?

SENATOR NELSON: ...cemeteries need to be enlarged and so on. I believe there are 25 people on the floor.

PRESIDENT: Record, Mr. Clerk.
